Matthew is the Gospel for us to emulate in servant hood, and commitment to stay on God's path both in our personal lives and collectively as the Body of Christ.

Matthew - Into Thy Word

Life is a characteristic that distinguishes physical entities that have biological processes, such as signaling and self-sustaining processes, from those that do not, either because such functions have ceased (they have died), or because they never had such functions and are classified as inanimate. Various forms of life exist, such as plants, animals, fungi, protists, archaea, and bacteria.

The Matthew effect, Matthew principle, or Matthew effect of accumulated advantage can be observed in many aspects of life and fields of activity. It is sometimes summarized by the adage "the rich get richer and the poor get poorer." The concept is applicable to matters of fame or status, but may also be applied literally to cumulative advantage of economic capital.
