Food Timeline: history notes--colonial America and 17th & 18th century France

The Food Timeline: history notes--Colonial America and

American cuisine reflects the history of the United States, blending the culinary contributions of various groups of people from around the world, including indigenous American Indians, African Americans, Asians, Europeans, Pacific Islanders, and South Americans. Early Native Americans utilized a number of cooking methods in early American Cuisine that have been blended with early European ...

American cuisine - Wikipedia

A food desert is an area, especially one with low-income residents, that has limited access to affordable and nutritious food. In contrast, an area with supermarkets or vegetable shops is a food oasis. The designation considers the type and quality of food available to the population, in addition to the number, nature, and size of food stores that are accessible.

Food desert - Wikipedia
