Body piercing, a form of body modification, is the practice of puncturing or cutting a part of the human body, creating an opening in which jewelry may be worn or where an implant could be inserted. The word piercing can refer to the act or practice of body piercing, or to an opening in the body created by this act or practice. It can also, by metonymy, refer to the resulting decoration, or to ...

Amanpour asked Sinclair if the 11-year-old Afghan girl married in 2005, and others like her, consummate their marriages at such an early age. Sinclair says while many Afghans told her the men would wait until puberty, women pulled her aside to tell her that indeed the men do have sex with the prepubescent brides.
