Look, in order to make money on the internet you need to get noticed by the search engines and you need to climb up the search engines result pages (SERPs). Unfortunately Google and the other search engines give preference to large and established sites. The little guy with a relatively new or small website does not stand a chance.

Then came The Total Money Makeover. I am positive that personal finance is 80 percent behavior and only 20 percent head knowledge. Our concentration on behaviorâ€™realizing that most folks have a good idea of whatto do with money but not howto do itâ€™has led us to a different view of personal finance. Most financial
