Map nodes are not a part of the IBIS notation but they are extremely useful when one wants to factor out more or less self-contained sub-topics in a long discussion. <<Take in Figure 3>>. Figure 3: Case study map 1. The numbers to the left of each node denote the number of nodes within the (sub) map.

Mapping project dialogues using IBIS: a case study and

methods for facilitating dialogue have been emerging globally, in particular over the past 20 years. This collection profiles 10 such methods in depth and a number of others more briefly. The approaches are diverse in many ways. Some are designed for small groups of 20 people, some can accommodate up to 1200 or even 5000 in dialogue at the same time.

Mapping Dialogue: Essential Tools for Change, by Marianne

Dialogue Mapping. This article explains Dialogue Mapping, developed by Jeff Conklin, in a practical way.

After reading you will understand the basics of this powerful communication skills tool.

Dialogue Mapping, a communication skills tool | ToolsHero

and Rittel 1970]. Dialogue Mapping™s uniqueness is the particular way in which it lies at the intersection of these three elements (see Figure 1). Each pairing of these elements describes a familiar, but less potent, combination: 1. The use of conceptual frameworks in meetings (top two circles) is not new³.

Dialogue Mapping Demonstration - Public sphere

Even within the most contentious issues or fraught situations, the right tools enable a community to foster understanding, restore relationships, and move forward. The Power of Dialogue is a highly interactive workshop that offers a widely applicable skill set for those with a range of experience levels.

The Power of Dialogue: Constructive Conversations on

Mind mapping software is uniquely suited to these needs. It's a whiteboard where you can do a mental "core dump" of your ideas, and then rearrange them as needed. It's an object-oriented environment, where you can attach nearly any kind of computer file to your maps and keep them just a mouse click away.
