### **The Strategic Marketing Process**

Marketing strategy is a long-term, forward-looking approach to planning with the fundamental goal of achieving a sustainable competitive advantage. Strategic planning involves an analysis of the company's strategic initial situation prior to the formulation, evaluation and selection of market-oriented competitive position that contributes to the company's goals and marketing objectives.

The second stage of the data collection procedure consisted of a qualitative survey of social media marketing experts (Miles & Huberman, 1994). The survey data were used not for confirmation but as a new and independent qualitative data source with a focus on triangulating the information obtained through the depth interviews and online surveys (Jack & Raturi, 2006).

Definition. Marketing is defined by the American Marketing Association as "the activity, set of institutions, and processes for creating, communicating, delivering, and exchanging offerings that have value for customers, clients, partners, and society at large." The term developed from the original meaning which referred literally to going to market with goods for sale. From a sales process ...
