McFadden's System of Physical Training - PDF . Bernard Macfadden (born Bernarr McFadden) was nothing if not an interesting man. Considered to be a pioneer of physical culture as we know it, he was hailed by some and mocked by others. Detractors targeted him because of his tremendous ego, but no one could deny the man's love for the human body.

exposure to physical and situational inequality predicts anti-social behavior among individuals in both higher and lower classes. Moreover, we explore a novel predictor of inequality-induced antisocial behavior—the design of physical environments—augmenting research on macrostructural forms of inequality.
