Freedom House is an independent watchdog organization dedicated to the expansion of freedom and democracy around the world. We analyze the challenges to freedom, advocate for greater political rights and civil liberties, and support frontline activists to defend human rights and promote democratic change.

### **Freedom House | Championing Democracy**

No consensus exists on how to define democracy, but legal equality, political freedom and rule of law have been identified as important characteristics. These principles are reflected in all eligible citizens being equal before the law and having equal access to legislative processes. [citation needed] For example, in a representative democracy, every vote has equal weight, no unreasonable ...

Freedom of the press or freedom of the media is the principle that communication and expression through various media, including printed and electronic media, especially published materials, should be considered a right to be exercised freely. Such freedom implies the absence of interference from an overreaching state; its preservation may be sought through constitutional or other legal ...
