The meaning of the term "alternative" in the expression "alternative medicine", is not that it is an effective alternative to medical science, although some alternative medicine promoters may use the loose terminology to give the appearance of effectiveness. Loose terminology may also be used to suggest meaning that a dichotomy exists when it does not, e.g., the use of the expressions "western ...

As to the number of pigeon-holes that have been created, Coffield et al. (2004) write that "the sheer number of dichotomies in the literature conveys something of the current conceptual confusion" (p. 136). In their review, they refer to 30 different dichotomous learning styles in the literature 2 (see Table 1).
